02 MARCH 2025

The Commission for the Promotion and Protection of the Rights of Cultural, Religious and Linguistic Communities wishes to extend its best wishes to all Muslims in South Africa and around the world as they commence the holy month of Ramadan; a time dedicated to fasting, prayer, devotion and community service.

We wish you as the Muslim community in our country and those across the globe, to be uplifted during this time of spiritual reflection and also be able to build communities and help those who are in need.

Your act of kindness will indeed demonstrate a spirit of compassion that offers hope for shared peace, dignity, and justice the world over.
